

## **The Tradition Continues April 26 - 28, 2019**

### **Scrutineering**

CASC OR scrutineers will be on site to inspect race cars in accordance with CASC requirements on Friday and Saturday.

### **Lapping**

For driving enthusiasts, there will be 2 days to get into Spring mode starting Friday on the Pro Track and ending Saturday on the Fabi Track. Two hours of track time are planned with appropriate groups throughout the day (driver meeting at 8:30 am to arrange groups; track opens at 9 am and runs to 5 pm).

### **Testing** (for racers)

In conjunction with lapping sessions, there are separate groups for closed-wheel race- and open-wheel cars starting Friday on the Pro Track and ending Saturday on the Fabi Track. Two hours of track time are planned using appropriate groups throughout the day (driver meeting at 8:30, track opens at 9 am and runs to 5 pm).

### **Lapping/Testing Fee:**

Early Bird: \$159.29/day (before April 19)  
Regular: \$194.69/day (April 19 or later)

### **Race Academy**

This is an ASN Canada FIA-approved race school for drivers wishing to obtain a race license in order to participate in sanctioned road racing. Successful completion of the program is a prerequisite for an ASN Canada FIA National license. For participants wishing to race in Ontario, use our certificate to apply for a regional licence with CASC OR.

This is an intensive 3-day program. Some advanced driving experience is recommended for the best outcome.

A Coach is in your car to provide input on skills to prepare you for participating in competitive driving events.

### **Fee:**

Early Bird: \$905 (payment before March 15) ensures your enrollment as space is limited.  
Regular: \$950 (payment after March 15), subject to space availability.

The car you use does not have to be a race car, but the passenger seat and restraint systems must be the same.

*All prices are plus HST.*
