

Celebration of Life

Alan James Pawling

January 18, 1959 – January 25, 2021

John, Angela, and Carol will be hosting a Celebration of Life for their brother Alan on Saturday November 5, 2022 at 2:00 pm.

Alan touched many lives. A true renaissance man with many different interests and hobbies, from car racing and sailing, to history and the outdoors; if it piqued his interest he would become expert in it. We want to provide an opportunity for all his friends and family to gather together to celebrate his life.

We welcome anyone to bring a printed photo to the celebration and to share a story of our brother.

This will be a casual affair.
